

What is Cocaine Anonymous?

Cocaine Anonymous is a fellowship of men and women who share their experience strength and hope with each other that they may solve their common problem and help others to recover from their addiction. The only requirement for membership is a desire to stop using cocaine and all other mind altering substances. There are no dues or fees for membership; we are fully self-supporting through our own contributions. We are not allied with any sect, denomination, politics, organization or institution We do not wish to engage in any controversy, and we neither endorse or oppose any causes. Our primary purpose is to stay free from cocaine and all other mind altering substances, and help others to achieve the same freedom.

The Twelve Steps

1. We admitted we were powerless over cocaine and all other mind-altering substances-that our lives had become unmanageable.
2. Came to believe that a power greater than ourselves could restore us to sanity
3. Made a decision to turn our will and our lives over to the care of God, as we understood him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, as we understood him, praying only for the knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts and to practice these principles in all our affairs.

The twelve steps are reprinted and adapted with permission of Alcoholics Anonymous World Services Inc.
